From CAGE Code to CMMC UID

The three government systems every TSP, agent and subcontractor must get through to submit a Level 2 self-assessment and receive the CMMC UID needed for DP3 shipments.

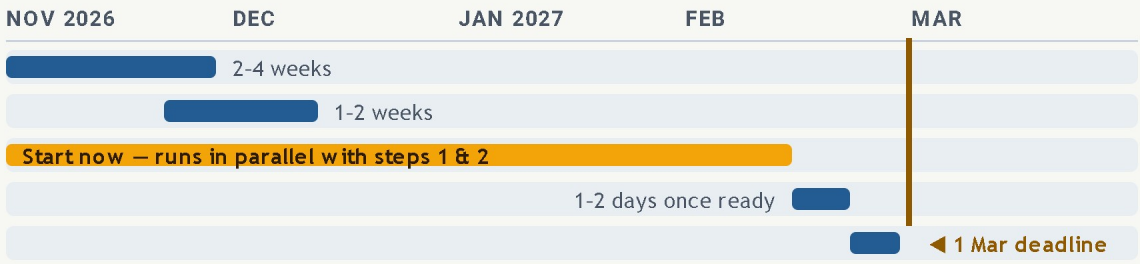

DEADLINE

1 Mar 2027

Level 2 self-assessment entered **and affirmed** in SPRS. Required to be awarded shipments on or after **15 May 2027**.

WORKING TIMELINE

Target dates if you start now · about 17 weeks remain as of late Oct 2026

1 SAM.gov

Get your CAGE code · 2-4 wks

- Create a **Login.gov** account, then sign in at **sam.gov**.
- Register your entity (legal name, physical address, EIN, bank info) for **all awards**.
- No CAGE yet? SAM.gov requests one from DLA for you.
- Watch email (and spam) until status shows **Active**.

Name and address must match IRS records exactly, or validation stalls. Renew every year.

You get → **CAGE code + UEI**

2 PIEE

Get SPRS access · 1-2 wks

- Register at **piee.eb.mil** with user type **Vendor** (no DoDAAC needed).
- Your CAGE needs a **Contractor Account Manager (CAM)** — usually your SAM E-Business POC or their appointee.
- Add role: **SPRS → "SPRS Cyber Vendor User"**, enter your CAGE.
- CAM approves; the SPRS icon appears on your dashboard.

Only one CAM, requesting their own role? Call the PIEE Help Desk to activate it: 866-618-5988.

You get → **Cyber Vendor User role**

3 SPRS

Enter & affirm Level 2 · 1-2 days

- PIEE → SPRS → **Cyber Reports → CMMC Level 2 (Self)** tab.
- **Add New CMMC Level 2 Self-Assessment:** date, scope, CAGEs in scope, SSP details.
- Answer all 14 requirement families; SPRS calculates the score.
- A senior **Affirming Official** affirms the result.

Final = 110/110. **Conditional** = 88+ with a POA&M closed within 180 days.

You get → **CMMC UID**

Do the assessment — start now

The longest step: weeks to months

- **Scope** every system, person, facility and outside provider that touches DP3 shipment data — customer PII is CUI.
- **Assess** all 110 NIST SP 800-171 Rev. 2 requirements and keep the evidence.
- Write your **System Security Plan (SSP)**; track open items in a **POA&M**. IAM's CUI SSP template can help.
- Don't wait for SAM.gov or PIEE — you'll need the finished results the day your SPRS role is active.

4 Send your UID to DPMO

- Email the CMMC UID and affirmation evidence to **transcom.scott.tcj9.mbx.pp-quality@mail.mil**
- Reaffirm yearly; reassess every 3 years.
- Agents and subcontractors complete their own.
